APPROVAL OF AGENDA

The agenda was approved as written.

ACCEPTANCE OF MINUTES

Mr. Spencer made a motion to accept the minutes of the May 18, 2006 Board meeting. The motion was properly seconded by Ms. Moss. The vote carried unanimously.

Ms. Moss made a motion to accept the minutes of the August 17, 2006. The motion was properly seconded by Ms. Jones-McNamara. The vote carried unanimously.

INTRODUCTIONS

Ms. Ryals, Director, Department of Health Professions introduced herself to the Board and guests. She gave a history of her background prior to coming to the Department. Ms. Ryals informed the Board that Governor Kaine developed a Health Reform Commission which began in October, 2006. She further stated that the Governor has made health care one of his major initiatives. The first Commission meeting was held on October 11, 2006; information concerning the meeting can be found on the Governor's website. She stated that the Health Reform Commission has priority areas which include the following: Growing our health care workforce - dealing with shortages, with particular attention to nursing shortages; Improving the quality of health care; Improving access to care; Strengthening long-term care; and Encouraging healthier lifestyles. Ms. Ryals said that work group meetings were going to be held between now and May, 2007.

Ms. Ryals addressed the issue of the agency move. She stated that we were in the middle of a ten year lease here with Alcoa; however, Philip Morris is interested in occupying the entire building. She said that one of our sister agencies, Department of Occupational Regulations (DPOR) has been deteriorating for quite some time with increasing concerns that the environment in the building is substandard. She further stated that the Department of Health Professions has been selected as one of the agencies that will co-relocate with other state agencies. She stated that DHP would be one of the first state agencies in the Richmond metropolitan area to participate in a relocation of this type. Ms. Ryals stated there is currently nothing officially in writing and no lease has been signed. She stated that the agency is definitely headed for a move before this time next year; no later than the Summer of 2007.

Ms. Ryals introduced the new Chief Deputy Director, Emily Wingfield. She stated that Ms. Wingfield was appointed by Governor Kaine on October 16, 2006.

Ms. Ryals thanked the former Director of the Board of Audiology and Speech-Language Pathology, Ms. Young for her hard work, professional and contributions to the board. She offered her appreciation to Ms. Young for her assistance to the new executive director in making the transition very smooth and productive. She also mentioned that Ms. Artis has moved with the Boards of ASLP/LTC and PT which are under the direction of Ms. Hahn. Ms. Ryals also introduced and welcomed Ms. Hahn back to the department.

Ms. Hahn introduced herself to the Board and guests. She stated that she previously served as the Executive Director for the Board of Audiology and Speech-Language Pathology as well as other health regulatory boards and is glad to be back with the department and is looking forward to working with the Board.

PUBLIC COMMENT

Dr. Ryals from James Madison University requested that she comment regarding provisional licensure. Ms. Young clarified for Dr. Ryals and the Board that the public comment period to speak to the proposed regulations in regards to provisional licensure for audiologists was officially closed. Ms. Young informed the Board that she had asked Dr. Ryals to appear before the Board to make general comments in regard to the issue. Dr. Ryals stated that the programs that JMU currently have in place will continue until the year 2012. She further stated that after December 31, 2006, no new programs will be accredited; the accrediting body after such time will only accredit doctoral programs.

ACCEPTANCE OF MINUTES

Mr. Spencer made a motion to approve the minutes of the May 18, 2006 Board meeting. The motion was properly seconded by Ms. Moss. The vote carried unanimously.

Ms. Moss made a motion to approve the minutes of the August 17, 2006 Board meeting. The motion was properly seconded by Ms. Jones-McNamara. The vote carried unanimously.

NEW BUSINESS

Legislative/Regulatory Committee

Proposed Regulations Governing Provisional Licensure for Audiologists

Dr. Chadwick stated that the next step is to adopt proposed regulations governing provisional licensure. Ms. Hahn asked if the intent for provisional licensure for audiologists with the Au.D. degree was to provide a pathway for those persons not receiving a masters degree. Dr. Chadwick offered clarification and stated that some

professionals were being caught because there was no degree conferred; few programs have granted a masters degree in the middle of the Au.D. degree program. Dr. Chadwick stated that the Board's intent was to address the audiology candidate who is unable to work and get a license because there has been no degree conferred. Ms. Hahn offered to make the necessary changes to the proposed regulations to reflect the boards' intent to allow applicants that are currently enrolled in the Au.D., program and who have successfully completed all the coursework required for the doctoral degree, a pathway to obtain a provisional license.

Ms. Jones-McNamara made a motion to approve the proposed regulations. The motion was properly seconded by Ms. Moss. Mr. Spencer asked if there was a requirement by the accrediting body to receive the Au.D. degree and if so, will the candidates be grandfathered? Dr. Chadwick stated there were currently no programs in place who have a masters degree in audiology; however, these programs are still being accepted until 2012; after such time, the Au.D. will be the only entry level degree. Ms. Young stated that the provisional license will be issued for twelve months; once the audiology degree has been received, the full license will be issued. However, if the degree is not received within twelve months, the request for an extension of the provisional license must be reviewed by the Credentials Committee. The vote carried unanimously.

Adoption of Proposed Public Participation (PPG) Guidelines

Ms. Hahn presented the Public Participation Guidelines to the board. She indicated that the amendments are to revise and clarify current practice and technology. She stated that the primary purpose of these regulations are to keep the public involved and abreast of board meetings and regulatory actions. Ms. Moss made a motion to adopt the proposed changes to the Public Participation Guideline regulations. The motion was properly seconded by Ms. Jones-McNamara. The vote carried unanimously.

Board of Health Professions Meetings

Dr. Chadwick stated she was honored to be appointed to serve on the Board of Health Professions. She attended the Board of Health Professions meetings on September 18th and October 18th and were provided for informational purposes to the Board.

Dr. Chadwick reported that she attended the Citizens Advocacy Center conference that was held in Williamsburg, VA in October. She said it was the most fascinating meeting she has ever attended. Dr. Chadwick stated that the point that was really driven home to her was that the primary responsibility of this Board is to protect the general public. She

stated that those who attended were really urged to keep the public informed and really let them know what the mission of the Board is and what types of problems they were to report to the Board.

Mr. Spencer stated he also attended the Citizens Advocacy Center conference in Williamsburg on behalf of the Board. He reported that one of the issues that was stressed was the importance of accountability through transparency. He stated that the primary accountability was to protect the patients through competency and integrity. Mr. Spencer also stated that the Board should be transparent in making the public aware of what it is doing and by having factual information readily available to the public.

Board of Hearing Aid Specialists

Mr. Ferguson stated that the Board of Hearing Aid Specialists updated their brochure regarding what the Board does and what services are provided. He stated the last board meeting was held on November 15, 2006 and there was one disciplinary case. The minutes are available on Townhall.

Professional News

New Name for ADA

Dr. Chadwick reported that the Academy of Dispensing Audiologists (ADA) has changed their name to the Academy of Doctors of Audiology. She stated the mission has basically remained the same. Dr. Chadwick stated that all new members must hold a doctoral degree in Audiology.

National Council of State Boards of Examiners for Speech-Language Pathology and Audiology

Ms. Jones-McNamara reported that ASHA has a new government structure. She stated their national office is moving and that ASHA is doing very well financially.

Ms. Jones-McNamara attended the nineteenth annual National Council of State Boards of Examiners for Speech-Language Pathology and Audiology in Atlanta, GA, October 12-14, 2006. She stated that in regard to unlicensed activity, some states deduct \$5.00 from every renewal processed. She stated that some of the other topics that were discussed were tongue splitting; hearing aids being sold at flea markets; encroachments; some states licensing speech pathologist who only hold bachelor degrees; ethics; vestibular rehabilitation and suctioning of patients. Ms. Jones-McNamara stated that Florida offers numerous courses and this information may be found on ASHA's website: www.asha.org listed under Ethics. The next conference will be held in Oklahoma City, OK, October 18-20, 2007.

SHAV

Ms. Young asked Mr. Bailey if there was any new information to report. Mr. Bailey stated that the Department of Education's next meeting is scheduled for Tuesday, November 28, 2006. He further stated that the public comment period ends early in February, 2007. Ms. Young stated that she had major concerns regarding the Virginia Department of Education regulations.

EXECUTIVE DIRECTOR'S REPORT

Licensee Statistics

Ms. Hahn reported there are currently 3006 licensees.

Case Statistics

Ms. Hahn reported the Board currently has 13 cases.

Budget

Ms. Hahn reviewed the budget with the board and stated that it appears that the board will need to consider increasing fees. She stated that she will have a better and clearer picture of the budget after the renewal cycle ends December 31, 2006. She will provide additional information at the next board meeting. Ms. Young stated that the fee increase should not be a surprise; it was discussed at the last board meeting.

Calendar

Dr. Chadwick asked what the procedure was, in the event there was inclement weather. Ms. Young stated in the past; she has always cancel the board meeting the day before if inclement weather is anticipated. She added, in the case of unanticipated inclement weather the morning of the board meeting, she would notify board members from home if the board meeting would be canceled. Ms. Hahn stated that she would follow the same procedures.

Dr. Chadwick and the board members applauded and said farewell to Ms. Young.

ADJOURNMENT

With no further business, the Board adjourned at 11:31 a.m.

Susan Chadwick, Au.D., Chair

Lisa R. Hahn, Executive Director
